MILO & ME

Baby Styles

Milo & Me Baby Styles are a smooth, yet resistant eyewear collection for babies and toddlers from 0 - 2 years old. Created for your smallest customers with the highest focus on safety, without hinges and metal parts. Flexible, strong, lightweight and super comfortable to wear.

The shape and width of the nose bridge is adapted to the smaller and wider nasal bridge typical of children. Designed to perfectly fit babies' and toddlers' small faces, giving them freedom to play and safely explore the world around them. Milo & Me Baby Styles combine soft trend tones with a fresh design to meet the standard of today's parents.
